

Fall Thematic Unit by The Preschool Toolbox

This is a 100+ total page unit that includes enough activities for at least two week's worth of lessons. If you plan to use the unit for one week only, you will have many activities left for a "new" unit the following year. This theme includes over 50 suggested math, science, and literacy activities. It also includes numerous songs, poems, art activities, gross motor ideas, cooking activities, dramatic play and book suggestions. In addition, it comes with detailed instructions for all games, projects and activities, 42 pdf files that are ready to download and print, internet resources, and pictures to help prepare the activities.

Below is a list of the activities and ideas that are included with this theme.
