

5 Little Scarecrows

**5 Little Scarecrows all stuffed with hay;
Stood in the field on a sunny fall day!**

The 1st one said, “It’s a beautiful autumn morn!”

The 2nd one said, “We’re here to protect the corn!”

The 3rd one said, “I’ll shoo the crows today!”

**The 4th one said, “Let’s work hard and then
we’ll PLAY!”**

The 5th one said, “The crows are flying away!”

Then the 5 Little Scarecrows took a break to RUN and PLAY –

The crows didn’t DARE snack on field corn that day!
