

QUALITIES OF A GOOD FRIEND – A PONY BEAD BRACELET or CHAIN REMINDER CRAFT

Discuss the qualities of a good friend. Invite the children to place each color of pony bead on string or ribbon as a reminder to BE a good friend to others.

	Use caution with communications: telling about a dangerous or hurtful situation is necessary - tattling on our friends is not.
	Be kind with our mouths and bodies.
	Be helpful and honest with friends.
	Take turns while playing and be fair.
	Allow other children an opportunity to choose what they want to play.
