

The Love Boat Engineering Challenge

Response Questions

Think about the following questions and record your answers in your science notebook or on a separate sheet of paper.

1. How did your team decide and agree on construction?
2. What was your biggest challenge(problem) during the construction phase?
3. What improvements or modifications did you make to your intial design (if any)?
4. If you could do the challenge again, what would you do differently? Did you like the challenge and why?
